IMPORTANT - Please make every effort to meet these deadlines if you wish to ensure your adverts are included in the edition you require - this is your responsibility! If you require a time extension, it is imperative that you contact the NZ Hunter team well in advance to advise and discuss alternatives.

All contract ads are presumed to be repeats until notified otherwise. We will endeavour to make contact prior to publishing but the responsibility lies with the advertiser. Bookings are final after ad material deadline. If you wish to amend your booking in the final stages of the magazine and we cannot find a suitable replacement you will be billed for the space booked regardless of what you place.
